**MAYOR CHARLES W. BRYAN**  
Democratic Candidate for Governor  
Mayor Bryan favors the re-election of President Wilson.  
Endorses business administration of Governor Morehead.  
Mayor Bryan is urging a reduction of telephone rates. He defeated fire insurance combine bill in last legislature, saving fire policy-holders probably \$800,000.00 annually, and will continue to favor competition in rates. Favors scientific good roads building under supervision of state and county engineers. Favors rural credits system for farmers. Favors state hail insurance. Urges public development of water power to furnish cheap electric current to light homes and operate machines on farms and in factories, to supply heat and to operate interurban railways. These practical and constructive measures are in operation in other parts of the country but impossible in Nebraska on account of interference of special interests under leadership of booze interests and their lobbyists. Help drive them out and legislate for Nebraska people the same as has been done for Lincoln people. Free the party and party machinery from interference of the special interests, and elect all county and state officers under the leadership of Mayor Bryan as candidate for governor, who has had experience in executive affairs and who has a record of achievement in Lincoln. Primaries April 18.
